Take me along, ride the wind like a song in the breeze;

D G#m7b5 GM7 GM7/A D
To where I belong, draw me into your love and your peace.

C Bm Em9 GM7/A D
Burdened with burdens, I'm laying them before your feet.

No longer weary, I'm placing my heart in your keep.

Wandering star, I was drifting so far far away;

But loved filled my heart, and you brought me to this very day.

Bathed in your glory, I bow down before you and pray.

Believing the story, you're coming, there'll be no delay.

Leaving behind me my old clothes, they're burdened with shame;

And leading a new life, as I chose to walk in your name.

Burdened with burdens, I'm laying them before your feet.

No longer weary, I'm placing my heart in your keep.

Oh, how your spirit moves me, woos me.

Ah....

Ooo...
