

# Morning Light

Words and music by Phil Keaggy

Tuning: CGCFAD (Dropped D, 1 step down)

Intro: (4x)

On a hill stands a cross still shining fair

as the sun when the night has turned into day,

bright as day,

but still it shines

bright as day, and...

A F#m11 A F#m11  
From it love's pure light ever flowing to

A F#m11 A F#m11 D6/9  
cleanse the heart, bring life; drive the sin far away,

D6/9  
see it wash

D6/9  
it all away

D6/9  
far away.

To this cross eyes of men are ever turning

today just as they did in days gone by.

And for the love of God their hearts are ever yearning

like men at sea in search of morning light.

Awake, awake our hearts to hear the echoes.

Your words resound at the dawning!

And all day we taste a love that is undying.

And all day in praise for the morning light,

the morning light!
